BJ called me to let me know. You can see the comments here:
<https://www.regulations.gov/docketBrowser?rpp=25&po=0&dct=PS&D=EPA-HQ-OLEM-2016-0433&refD=EPA-HQ-OLEM-2016-0433-0001>

He said most are in support, and most are just signatures on a petition. But several are substantive. They will be reviewing and will point out anything major but we should look them too.
